Winter Golf Vacation in Israel

New! Attractive Winter golf packages in picturesque Caesarea

While many golf clubs in Europe are closed due to weather conditions, Israel's year-round pleasant weather keeps golf courses open most days of the year. Take an international golf course near a magical seafront, set it in the heart of a historical archaeological site and you have the Caesarea Golf Club. Situated close to the Caesarea harbor, the championship golf course was designed by Pete Dye, one of the world's leading golf architects. A "player-friendly" course for beginning golfers, it also provides a challenge for veteran players. In addition to the championship course, the club offers a nine hole Par 3 course. EL AL, the

Dan Caesarea Hotel and the Caesarea Golf Club offer an attractive golf package vacation: EL AL flights, three nights in a double room at the luxurious Dan Caesarea Hotel and three rounds of golf games at the Caesarea Golf Club – all at a special rate. Prices vary according to the point of departure.
